## **THE GRAND TOUR**

### Chicago as a Living Classroom The ICAA's 2021 Grand Tour with Cristo Rey Chicago

Recently, in the warmth of a mid-July day, twenty high school students from Cristo Rey Chicago saw their city through new eyes. **The ICAA's Grand Tour**, first held in 2019 with New York City students, is a program that delves into the built environments of America's great cities, and prompts students to explore their city's architectural history, interrogate its current urban plan, and offer their own contributions to its public spaces. Tailored to each host school's home city, Cristo Rey Chicago students spent the day immersed in their city's history through discussions, tours, and a design project where their creativity flourished.
