ICAA Travel Revisited: Övedskloster with Eva Ramel

ICAA Travel Revisited takes viewers back to some of the favorite destinations from past ICAA Travel Programs. In this first installment, Eva Ramel welcomes viewers to her family's ancestral home, [Övedskloster](#), an estate in the south of Sweden.

Övedskloster's history can be traced back to the 12th century when it was a monastery, but the house and grounds as they appear today were built by Eva's ancestor Hans Ramel in the 18th century. The manor house, the gardens, and even the interior furnishings are prime examples of Swedish Rococo, and they remain as glorious today as they were in the days of King Gustav III.

CHRISTOPHER H. BROWNE DRAWING TOURS

The 2021 Christopher H. Browne Savannah Drawing Tour

Savannah, Georgia
September 30 - October 3, 2021

The ICAA's drawing and study courses are centered around the long tradition of studying architecture in the field through measured, analytical and perspective drawing in sketchbook. These techniques have been used by practitioners since the renaissance to document precedents for reference in contemporary design.

The 2021 Christopher H. Browne Savannah Drawing Tour provides an opportunity to study, through field drawing, the rich diversity of architecture and unique urbanism of Savannah, Georgia - a living laboratory of design, building, and planning from the 18th century to the present day. Each day is structured around studying representative examples of building types that form the fabric of Savannah, with a focus on their composition, detail, and contribution to the urbanism and landscape of the city.

Each year, the ICAA is also pleased to award four scholarships to drawing tour students or emerging professionals annually in the name of Mr. Browne, a long-time supporter and champion of classicism. Scholarship recipients will receive the moniker "Christopher H. Browne Scholars."
