@giopriante

Giovanni Priante, born in 1994 in Puebla, Mexico, embarked on a transformative artistic journey from Mexico City to New York. After studying industrial design in Mexico and Florence, Italy, he found his true passion and completed the Grand Central Atelier's rigorous 4-year program, earning multiple Structure Prix Awards and becoming a Hudson River fellow in 2022. Currently, Giovanni thrives as a resident artist at GCA, further developing his artistic journey.
