LOOK WHO'S TALKING.

"There are many features to our new home that I know I will thoroughly enjoy.

But none that hold the lasting charm of the exquisitely carved swirls of the mantel."

Carol Holder, Residential Client, California

"I'm so happy that we are doing business

with Agrell Architectural Carving. It's comforting to know that the Ann-Getty line is in good hands. Here or across the world."

Ann Getty and Associates

"Agrell Architectural Carving brought invaluable knowledge and expert craftsmanship to our project. They were a pleasure to work with, created carvings to fit our budget and delivered them on schedule."

Rick Wachs, Werner Construction, Mill Valley CA

Restoring the *Past*, Building the *Future*.

Restore Media is the leading source of information for restoring and renovating old buildings and for creating new buildings in a traditional style.

Through its well-respected and established publications, conferences, and new media initiatives, Restore Media serves the restoration, renovation and period-inspired new construction markets top to bottom.

The only media company targeted to serve this unique niche, Restore Media's portfolio of products and services cover both the commercial and residential markets.

The company publishes *Old-House Journal*, the original restoration magazine. Included

in the *Old-House Journal* family are three annual publications—*Old-House Journal's Restoration Directory*, *Old-House Journal's Traditional Products*, and *Old-House Journal's New Old House*.

To further serve the market, Restore Media also publishes *Clem Labine's Traditional Building* and *Period Homes* magazines, and the *Preservation Sourcebook*. Restore Media also produces the Traditional Building Exhibition and Conference and Traditional Building Forum.

Whether you are an old-house enthusiast, an architect, designer, contractor, preservationist, building owner, or facilities manager, Restore Media has information you will find both interesting and useful.

**This historic ironwork is in excellent condition,
especially considering
it was destroyed in World War II.**

Robinson Iron specializes in creating replicas. Even when there's minimal documentation, we can work with what's available: the smallest sample of the original, a photograph, a sketch or even a watercolor. Visit us online to learn more about Raffles Hotel, replication and our exclusive line of products and services.
